Final report**

**I. Introduction**

1. The Fourth Review Conference of the High Contracting Parties to the Convention on prohibitions or restrictions on the use of certain conventional weapons which may be deemed to be excessively injurious or to have indiscriminate effects (CCW), held in Geneva from 14 to 25 November 2011, decided on An Accelerated Plan of Action on Universalization of the Convention and its annexed Protocols, as contained in annex I of its final declaration (final document, part II, CCW/CONF.IV/4/Add.1), and, in accordance with action 9 of the Accelerated Plan of Action, to request “the CCW Implementation Support Unit to continue to report annually to the Meeting of the High Contracting Parties on the efforts undertaken towards and progress made on universalization.” Furthermore, action 10 of the Accelerated Plan of Action stipulates that ‘Universalization of the Convention and its Protocols’ should be established as “a standing agenda item of the annual Meetings of the High Contracting Parties under which the Chairperson-designate, High Contracting Parties, United Nations, International Committee of the Red Cross, regional organizations and other organizations would exchange information and report on their respective efforts to promote universalization.”

2. 3. The Fourth Review Conference also decided, as contained in decision 4 of the final declaration, “to enhance the implementation of the Compliance Mechanism for the Convention and its annexed Protocols, which was agreed to at the Third Review Conference and the Meeting of the High Contracting Parties to the Convention in 2007 in accordance with the recommendations as contained in annex III.”

The Meeting emphasized the importance of achieving universal adherence to, and compliance with, the Convention, the amendment to its Article 1, and its Protocols.

Protocols. To this effect, the Meeting requested the Chairperson to consider reporting to the sixty-ninth session of the General Assembly of the United Nations on his endeavours.

25. The Meeting expressed its appreciation for the report of the CCW Sponsorship Programme, the Guidelines on the Administration of the Programme and the continuing role of the Geneva International Centre for Humanitarian Demining in administering the Programme. The Meeting recognized the value and importance of the Sponsorship Programme within the framework of the Convention for promoting universalization of the Convention and its Protocols, strengthening the implementation of the Convention and its Protocols, enhancing the cooperation and exchange of information among the High Contracting Parties and States not yet party, and ensuring broader geographical representation at meetings of the Convention. The Meeting called upon those States in a position to do so to contribute to the Sponsorship Programme.

26. The Meeting emphasized once again the importance of compliance with the provisions of the Convention and its Protocols by all High Contracting Parties, their commitment to fully implement the provisions enshrined therein, and their determination to consult and cooperate with each other in order to facilitate the full implementation of the obligations contained in the Convention and its Protocols to which they are party, thereby promoting compliance.

27. The Meeting reaffirmed its commitment to the Compliance Mechanism of the Convention and its Protocols. Further, the Meeting reiterated the call for all High Contracting Parties to submit national compliance reports in accordance with the decision taken at the Fourth Review Conference to enhance the implementation of the Compliance Mechanism. In this respect, it was recalled that the deadline for submission of the national reports on compliance was fixed by the Fourth Review Conference at 31 March of each calendar year.

28. The Meeting expressed its appreciation for the report of the Implementation Support Unit and the work carried out by the Unit. The Meeting requested the Implementation Support Unit to continue to report annually on its activities, including on its estimated costs and actual costs.
